The HCCA general meeting was called to order @ 7:13 P.M. Monday, May 15, 2006, by President, Chuck Vollman at the Lippman Center.

Attendees introduced themselves.

Minutes were read by Secretary, Cynthia Eason, and accepted as read.

Chuck gave the treasurer's report in Pat Smith's absence. Bank balance is \$551.80. Report accepted subject to audit.

Old Business

Chuck reported on P&Z meeting . Passelaqua project on Hollywood Beach will be heard at the 5/24 meeting. Shops of Oakwood passed. Six month moratorium on CRA district of Beach passed.

Pete Brewer spoke about the Lincoln Park School in favor of saving the park. He believes it should be placed on a referendum so that the voters of Hollywood can make the decision. Construction on the 2-3 story school is expected to begin in 2-3 months. Chuck requested more definitive wording re; "crossover" and stated that the topic needs a more detailed report. Pete and Chuck will investigate and report back at next meeting. Attorney Brian Blackwelder's office will assist.

Cynthia introduced Dr. Arthur Palamara, candidate for the Florida House of Representatives.

New Business

City Commissioner Sal Oliveri presented his reasons for wanting city certification of civic associations. He distributed packets of information to support his arguments.

Commissioner Oliveri believes that we would gain credibility by being certified and that the associations should trust and support their city. Chuck stated that many items are not friendly decisions and Cynthia said that the commission's attitude does not demonstrate respect or trust to the residents of Hollywood. Chuck said that a heightened presence at commission meetings would be advisable. We are a voice of the people. We are fighting for what the people want.

Maria Jackson from UNOSH asked for HCCA's support re: requested action from the city re: Adams Street affordable housing and CRA projects. She also requested oversight of the purchasing procession behalf of the Highland Gardens community.

Chuck said that a formal request must be presented according to protocol. All delegates will be sent information for approval. We must have the delegates' opinions by the next HCCA meeting on June 19, 2006. Mel asked whether impact fees are involved and Maria answered affirmatively.

Lori Gold spoke about the city's hurricane preparedness /cleanup. Her view is that the issue is about good management that looks out for the health, safety and well-being of the City of Hollywood and its citizens." She identified several issues re: past and future hurricanes. Chuck suggested that Lori present 10 basic suggestions at our next meeting fort the city to consider.

Chuck said that our strength is in our numbers and read the HCCA mission statement.

Meeting adjourned at 9:00 P.M.

Respectfully Submitted,

Cynthia Greene-Eason, Secretary
